\$35,244 donation will be put toward new technology at Royal High School

ALL SMILES—On hand for the check presentation at Royal High School are, from the left: Kristin Tignac, Bob LaBelle and Ro Curry, Simi Valley Education Board members; Dr. Kathryn Scroggin, superintendent; Dan Houghton, Royal principal; Bill Waxman, director of secondary education; Shireen Knudsen and Allan C. Mann, Simi Valley Education Foundation board members; and Simi Valley Education Foundation board president Kevin Underwood.

The Simi Valley Education Foundation presented a Matching School Fund check from the 2007-2008 school year for \$35,244 to Royal High School.

The amount represents a \$17,622 match grant from the foundation.

The funds will go towards the purchase visual and wireless technology.

The foundation will match up to \$7 per student at each of the secondary schools in the Simi Valley Unified School District.

The money raised at Royal came from parent-involved fundraising events and not PTSA or other existing programs.
