Hit pins, help schools at Harley's Bowl

Simi Valley Education Foundation and Harley's Simi Bowl have created a partnership that will raise money for Simi Valley public schools.

Bowlers who register for the Bowl for Your School program at Harley's Simi Bowl will be enrolled in Harley's Bowler Club. Registered bowlers will receive one free game of bowling for every eight games of paid open bowling each month.

Games bowled between 9 a.m. and 5 p.m. during summer break will earn 25 percent of the total purchase for the designated school. More information and a coupon for one free game are available at www.svef.org.

Harley's is at 480 E. Los Angeles Ave.

TAKING OFF
 At Simi Childrens Dental Group we've designed our Space Station to launch young patients into a future of excellent dental health, where gentleness and reassurance are always a critical part of the mission.

THE CREW
 All of our dentists, plaque control therapists and clinical assistants are specially trained to work with children. Our first goal is to make each office visit a positive experience and to develop the trust of our small patients.

DOCKING PROCEDURES
 At every appointment we begin by easing our young patients' anxieties. We evaluate any fears or apprehensions by actively involving them in every step, with "time, tell and do". Sports injuries are common as kids grow older, and at our Space Station we're particularly concerned with protecting teeth by educating parents about the several types of mouth guards available.

ALL SYSTEMS GO!
 At Simi Childrens Dental Group, our dentists are specialists in pediatric dentistry or orthodontics. So, all systems are go for a lifetime of great smiles!
