Simi Valley Students Receive \$11,000 In Scholarships and Endowment Scholarships

Each year, the Simi Valley Education Foundation grants five deserving students \$1,000 scholarships so that they can attend college, technical or vocational schools and three \$2,000 endowment scholarships that must be used at a two year community college.

SVEF Windows at Simi Auto Spa 1144 Los Angeles Avenue

Recently a panel of window displays were opened to the public. Thanks to the generosity of Simi Auto Spa owners, the Simi Valley Education Foundation (SVEF), Simi Valley Police Foundation and the Simi Valley Community Foundation all had the opportunity to create window displays that would tell the community more about our organizations. Stop by when you're having your car washed and learn more about our Foundation and how we support the schools in Simi Valley.

The Simi Valley Education Foundation is a non-profit organization dedicated to providing additional resources to students in Simi Valley's public schools. Through program development, fundraising, and collaboration, the Foundation seeks to strengthen our public schools and the education they provide to your children.
