The Simi Valley Education Foundation is a non-profit organization dedicated to providing additional resources to students in Simi Valley's public schools. The funds we receive are donated back to the schools and students and make a difference in: enriching math skills, supporting the science curriculum, promoting 21st century technology, improving literacy, expanding social studies and world culture, elevating the arts and scholarships for students.

Every dollar matters.

Through program development, fundraising, and collaboration, the Foundation seeks to strengthen our public schools and the education they provide.

Giving Back For the Kids at
Back to School Marathon**

During the marathon held in the fall, K&J Auto Exchange planned to donate \$100 to the Simi Valley Education Foundation for every car sold and DCH Toyota in Simi Valley agreed to donate \$10 for every new and used car they sold. In addition, \$50 would also be donated to the Simi Valley Education Foundation for every car bought and financed through County Schools Federal Credit Union and All Valley Federal Credit Union.

We are happy to report that this marathon raised more than \$8,300! The photo above was taken at a recent check presentation.
