The Simi Valley Education Foundation's annual Tee Up For Kidz Golf Tournament is coming up on Sept. 23. This year is an important year. Our schools continue to see drastic budget cuts, and more than ever they need our help.

The Tee Up For Kidz Golf Tournament represents one of our primary fundraising events held each year. Money raised at this tournament helps to fund valuable programs and materials that directly benefit our children.

Through the years, our foundation has provided more than \$500,000 in grants for teachers and students for creative educational programs that would not otherwise be funded. These grants would not be possible without the help of businesses and individuals in the community who have supported the golf tournament.

Our theme this year is Endless Summer. We expect this year to be the best yet and are currently looking for participation in all areas for this event. Every little bit helps. No donation is too small. We have numerous opportunities:

- Become a sponsor (\$1,500-\$5,000)
- Sponsor a contest, hole or awards (\$300-\$500)
- Register to play as a single golfer or foursome (\$155-\$620, new lower price this year)
- Buy a tee sign (\$100, new lower price this year)
- Join us for a great dinner (\$50)
- Donate an item for our goodie bags or raffle

There are so many great ways you can participate.

Even if you are not a golfer, a tee sign for \$100 goes a long way in helping us meet our fundraising goals. Invite your family, friends or business associates to participate in this year's Tee Up for Kidz Golf Tournament, because education is everyone's business. For more information about the various opportunities to support the golf tournament, please visit <http://svef.golfreg.com>, contact the Foundation at 877-SIMI-KID or e-mail info@svef.org.

The Simi Valley Education Foundation is the easiest and most effective way to get your dollars directly into the classrooms of Simi Valley public schools. These are the schools the community is counting on to teach our children the skills and knowledge that are necessary for them to be successful adults and future business and community leaders.

To learn more about the Simi Valley Education Foundation and the programs we provide to the schools in Simi Valley, visit our website at <http://www.svef.org>.

At the Simi Valley Education Foundation, we know that the entire community benefits when students excel. Please support our efforts, and working together, we will bring better resources and programs into our classrooms.
