Oakridge Athletic Club recently handed over a check in the amount of \$3,600 to the Simi Valley Education Foundation. The large donation was a result of the Club's spring promotion. For every new membership, \$50 was earmarked for the Foundation.

"We are so pleased with the outcome of this special promotion and proud to make this substantial donation to the Foundation," said Nathan Cook, manager of Oakridge Athletic Club. "We are hoping it will in some way help make up for the current shortfall due to budget cuts." The check was presented to Brian Iverson, president of the SVEF, with members of the board of directors, school principals and others on hand for the presentation.

The special spring membership promotion ran for about three months, ending on April 15. In addition, the Club donated three-month membership packages valued at \$400 to every school in the district – 28 total – to use in upcoming school auctions.

Oakridge Athletic Club is a devoted supporter of various charities in the Simi Valley community and has generously contributed to organizations, such as the Boys and Girls Club, Simi Valley Police Foundation, Red Cross and sponsorship of High School athletic program booklets and more.
