

**Schools Surprised
with \$1,000 Gift
\$28,000 Donated**

This past year, the Simi Valley Education Foundation held two new fundraisers (Jail & Bail and Concerts) as well as partnered with businesses here in Simi Valley and as a result we increased the dollars raised. Because our schools support our efforts every year, we wanted to thank them by surprising them with a \$1,000 donation that they could use at their discretion. We timed our presentation to coincide with their first meeting of the school year in August.

A Total of 95 Grants at 29 Schools..

\$55,000 Awarded in Enhancement Grants

The Simi Valley Education Foundation's mission is to enrich and maximize the quality of education in the Simi Valley public schools by providing financial support for programs that assist in achieving academic excellence. The Foundation, as well as the businesses and individuals who support it, believes that innovative and creative approaches to teaching can benefit our students. To this end, the Foundation developed the Enhancement Grant Program and this year 95 grants were funded at 29 local public schools. These grants were made possible through a grant from the Alcoa Foundation, donations made by community members, parents, businesses, and special fundraising events.

This program, with its emphasis on INNOVATIVE PROJECTS and CREATIVE TEACHING APPROACHES, provides funding, not otherwise available, for projects that have a potential to enhance the learning process.

Thanks for all your support..
